Section 1

Page 1 of 1

The minimum requirements for sound banking practices in the operation of a Trust Department, and as safeguards for the protection of depositors, fiduciary beneficiaries, creditors, stockholders and the public, should include:

1. Operation of the Trust Department separate and apart from every other department of the bank, with trust assets separated from other assets owned by the bank and the assets of each trust account separated from the assets of every other trust account; and
2. Maintenance of a separate set of books and records for the Trust Department in sufficient detail to properly show all Trust Department activities.

The board of directors should by proper resolution include in its minutes:

1. Designate an officer, qualified and competent, to be responsible for and administer the activities of the Trust Department, and define his duties;
2. Name a trust committee consisting of at least three directors, at least one of whom shall not be an officer of the bank, to be responsible for and supervise the activities of the Trust Department;

The trust committee should:

- a. Meet at least once a month;
- b. Review the assets of each trust account at least once during each period of twelve months;
- c. Approve all purchases, sales and changes of trust accounts;
- d. Approve the opening of all new trust accounts;
- e. Approve the closing of trust accounts;
- f. Keep full minutes of its actions, including its actions on matters included in a. through e. above;
- g. Make periodic reports to the board of its actions;
3. Provide competent legal counsel to advise the trust officers and the trust committee on legal matters pertaining to the administration of the Trust Department;
4. Provide for joint custody of trust assets under at least two or more officers and employees;
5. Receive the report of the trust committee and record its actions thereon in its minutes;
6. Make or cause to be made an annual audit of the Trust Department at least once during each period of twelve months and, where possible and practical, provide for internal controls over the Trust Department; and
7. Review the examination reports of the Trust Department by Supervisory Agencies and Record its action thereon in its minutes. Nothing herein is intended to prohibit the board of directors from acting as the trust committee, from designating additional officers to administer the operations of the Trust Department and defining their duties, or from appointing additional committees for the Trust Department operation and defining the duties of such committees.
